ISSUE 1

Since this is the first magazine, let me introduce you to Psycho-Kick:

Looks evil, doesn't he? Well, he's not! Psycho-Kick has lots of enemies, but let me tell you them later because, now, we're going to talk about one certain enemy - Ninja Norman. Ninja Norman isn't exactly alive. Maybe it would explain if I showed you a picture of him:

Now, this guy likes to rip his bandages off so he can see. This is a picture of him with no bandages on:

As you may think, with all the spikes, that they would stick out when he has his bandages on. Well, Ninja Norman has lots of hairs of bandages. He can disappear in a cloud of dust. He knows several martial arts and has a bo staff and two katana swords. Scary, eh?

Now then, let's begin the story:

It all started when Psycho-kick was training at Ninja School. Of course, Psycho-kick was by far the best.

Do you remember in the introduction when I told you that Psycho-kick looked evil? Well, this is why:

Psycho-kick is actually part monster! His Dad was a human but his Mum was a monster! She was killed in battle so his Dad brought him up. His Dad was a ninja so he trained Psycho-kick. Now, Psycho-kick is a wealthy ninja just like his Dad.

Now, on with the story - where were we? Ah, yes, I remember, so Psycho-kick was half way through a battle when something hits the wall and there is a big hole in it. A dark figure steps into Ninja School. Psycho-kick gets out his sword. He is going

to need them. "Where is Psycho-kick?" asked the tall, dark figure wrapped in bandages. Psycho-kick kicks but his Sensei and his classmates tried to protect him. They failed. They were no match for this guy. They were beaten in what looked like half a millisecond! It was just Psycho-kick and the way cool ninja guy. No hiding places, no nothing, just P.K. and the W.C.N.G.* "Who are you?" asked P.K. "I am Ninja Norman," said the W.C.N.G. who is now called Ninja Norman. "Why do you want me?" asked P.K. "I don't want you, oh, no, I definitely don't want you, but I do want you lying there, screaming under my feet, or even dead!" said Ninja Norman. "Why do you hate me?" asked P.K. "Enough questions," said N.N., "now let's get on with it!" P.K. still couldn't work out why N.N. hated him but no time for thinking now, he had to run! P.K. ran as fast as he could over to the school entrance. "Come back here!" shouted N.N. Luckily, N.N. wasn't as fast as P.K. because he was heavier.

P.K. sipped his coffee. He was amazed that the school had escaped with their life yet upset because his school wall had been destroyed and that he knew that *Way Cool Ninja Guy.

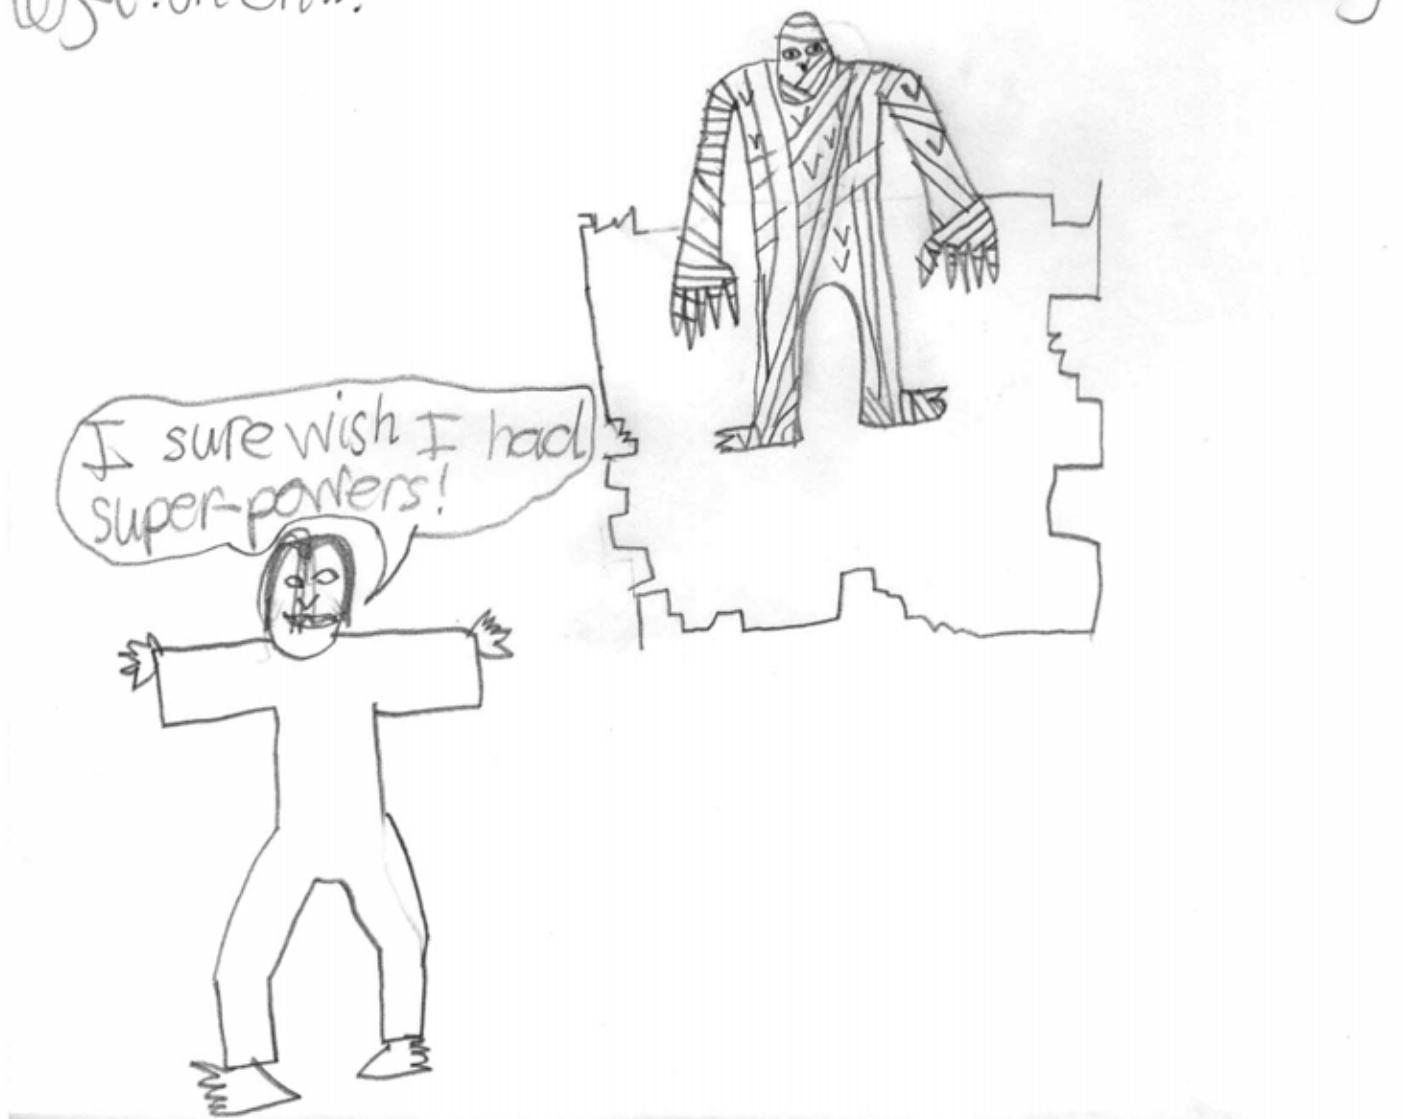

he was being followed by a giant monster wrapped in bandages called Ninja Norman. He was also puzzled because Ninja Norman hated him and how on earth was he going to defeat N.N.? He would have to figure that out in the morning. It was 11:00! He would have to get lots of sleep if he was going to have to fight Ninja Norman!

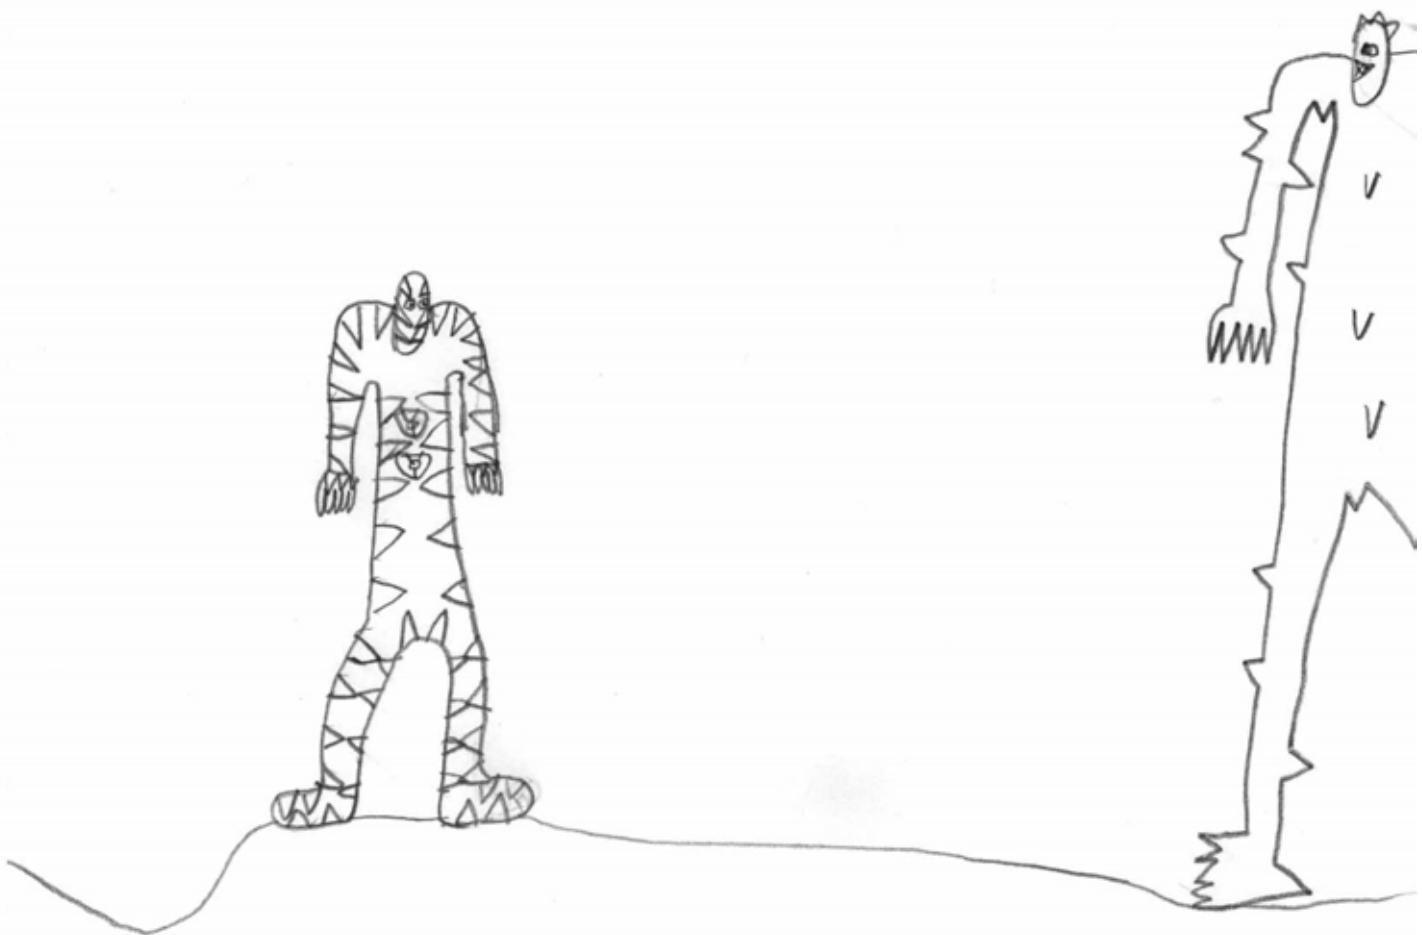

It was 1:00 in the morning. Time for Psycho-kick
to get out of bed, and go to Ninja School.
He was going early just in case Ninja
Norman returned.

Psyco-kick got up, brushed his teeth, got dressed and had breakfast. Now he was ready to set off. He looked at the clock. It was 2:30! He ran to the school. It was too late. N.N. had already almost smashed up the whole school. He was bigger. Much bigger. He had been standing in the remains waiting for P.K. for half an hour (it was now 3:00) and only had half his bandages left! Uh oh!!!

Just then a tall man with brown hair and a crown appeared. "I am King George. You wished for powers, you got them!" he said putting his arms out in front of him. Then an orange blast came out of his hands and Psycho-kick could do super-kicks and power-punches! He also got a new uniform!

P.K super-kicked and power-punched N.N. Finally, N.N. had been defeated....well, P.K. thought so anyway. Suddenly, King George appeared and gave him a wrist launcher! (a thing that goes on your wrist with guns)

P.K. fired spiky metal disks at N.N. It only hurt him a little bit. Then he fired blue lasers at N.N. It hurt him a bit more. Then P.K. fired electricity at N.N. Now, N.N. was almost defeated. P.K. power-punched him. N.N. was now M.N. (Monster Norman!) P.K. did a super-kick just before M.N. stamped on P.K! M.N. had been defeated! "I WILL RETURN!!!" screamed M.N. "Phew!" said P.K. "I thought I was dead meat then!" Just then, P.K. noticed that King George was still there. "Thanks, bud!" said P.K.
