Super-Hero Battles!

Match 1: King George vs Mr. Green

Commentator:

Mr. Green runs forwards and smacks King George in the face—oof! Now King George gets revenge and shoots fire at Mr. Green. King George wins! See match 2 in issue 3! ^③

P.K. ran to the rescue, and stopped it was king George & K.G. gave P.K. a flame thrower. The problem was that several buildings were already on fire! So K.G. gave P.K. a machine gun but that didn't work either so K.G. gave P.K. a lazer gun. Before P.K. had the chance to fire, some floating rocks came towards P.K. "Huh?!" said P.K. Then he figured out what shape the rocks made a human! "It's a rock-man-thing!" said P.K. The R.M.T.'s rock-fist hit P.K. hard in the face. "OUCH!" yelled P.K. The hit in the face made P.K. drop his lazer gun! Then P.K. remembered his wrist launcher and his super-powers. And his super-costume thingy. He put his wrist launcher on and he put his costume on. Then he

jumped onto the R.M.T.'s fist and then he jumped onto his head! Then he fired spiky disks at R.M.T.'s head - didn't work! So he fired a lazer at his head. A big chunk flew off!"Yippee!" he yelled. But then, the chunk of head that flew off grew into a circle and made another head. "I AM ROCK-MAN!" he boomed. "I HAVE COME TO DESTROY YOU!" "Yeah, right! That's what Ninje Norman said," said P.K. He was obviously very relaxed about this. "WHO?" asked Rock-man, puzzled. "None," said P.K. "I've got a plan!" said K.G. Now R.M. was really ⁽³⁾

puzzled. K.G. threw an invincibility potion at P.K. The glass container smashed when it hit P.K. and the liquid went all over P.K. and R.M.'s hand. Then K.G. threw a bomb made for making holes in walls. It exploded as it hit P.K.'s hand. BOOM!!!!

"Beware!" said K.G. "Potion only lasts for an hour!" P.K. dropped from R.M.'s fist. Good job he was invincible! Then he realized that R.M.'s body had been blown to

bits (except for his hand)! But then, the six rocks that made R.M.'s hand turned into floating rock-heads that flew at 150 mph and hit P.K. He was out cold.

P.K. woke up and realized he was in hospital. "I'm fine," he said. Then he saw K.G. "C'mon, K.G., let's go," said P.K. "No, you must stay here until you have fully recovered," said K.G. He left. "Aw man!" P.K. groaned. Then he found an injury on his stomach. Next month, 12th September to be

exact, P.K. woke up at 4:00. This was late for him! He read his "Potions and other magical things" book for four hours and by then, the doctors had come in.

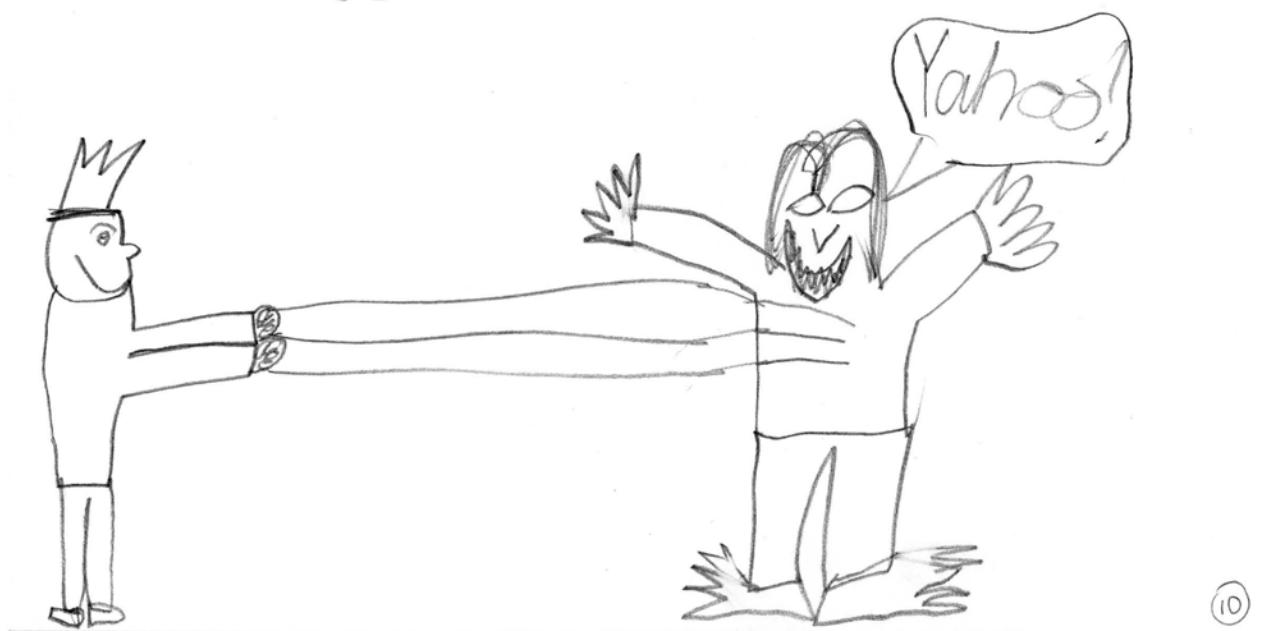

You have a visitor," said one, "Five," said another. "Shall I let them in?" asked another. "Sure," said P.K. He let them in. It was Swordsman Sam, Noble Nick, Tiny Tim, Sensei and KG. "Swordsman Sam! Noble Nick! Tiny Tim! Sensei! King George! Come in!" said P.K. "Thanks," they said. "You're allowed to leave hospital now," said another doctor. P.K.'s stomach was bandaged up. "O.K.," said P.K.

P.K. walked over to K.G. "I've got something for you once we get outta here," said K.G. "I can assure you, I wanna get outta here more than you do-I've been here for a month," said P.K., running through the corridors to the exit.

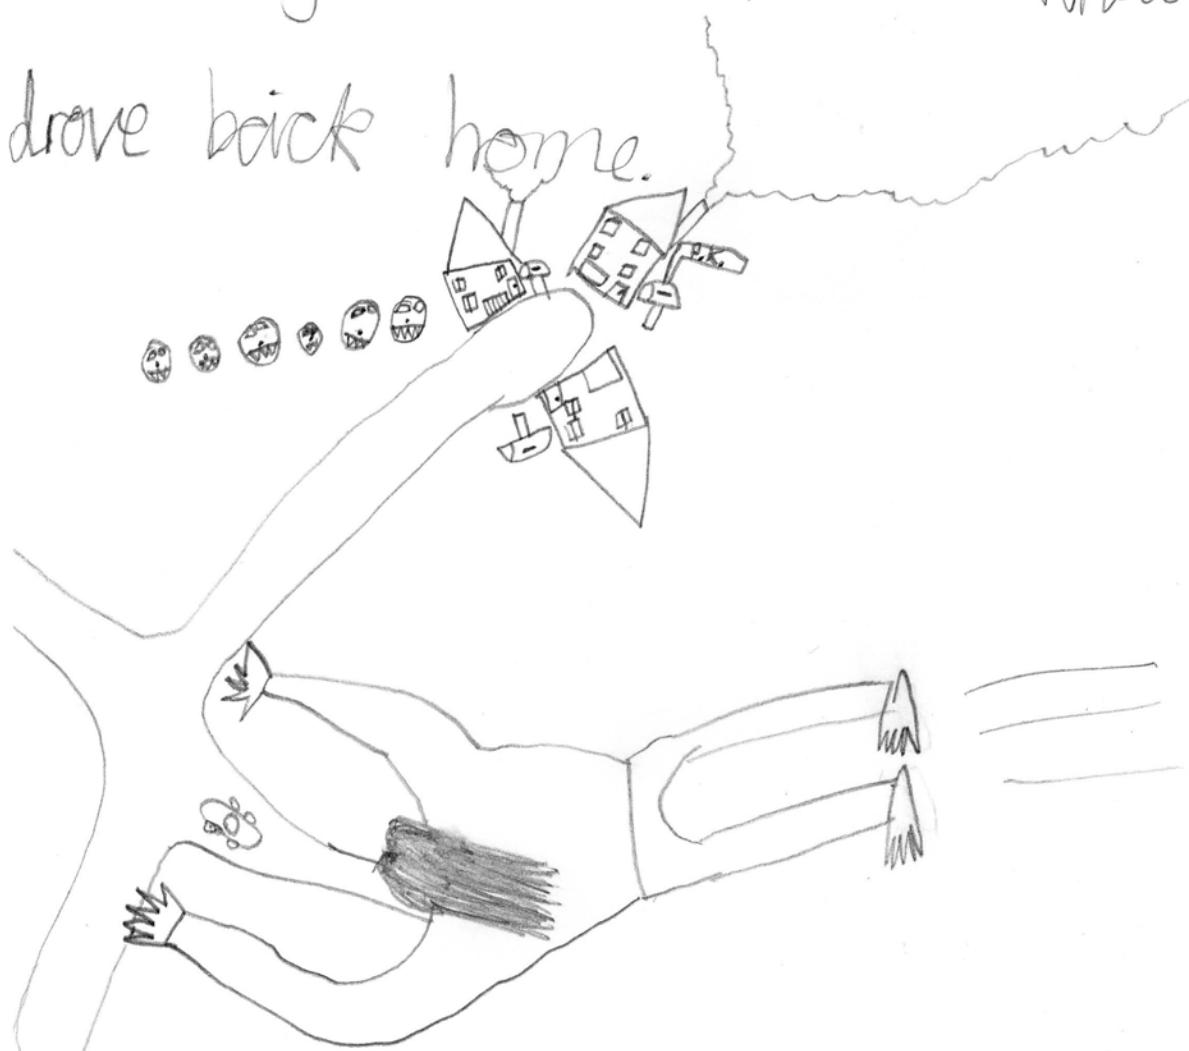

When they were outside, K.G. said "I have a surprise for you," said K.G. "What is it?" asked P.K. "A power," said K.G. as a purple blast came out of his hands. "Now you can fly!" he said.

"Cool!" said P.K. "Let's give you super^①"

strength and invisibility too,
Shall we?" he said as a green
blast came out of his hands.
Woo-hoo!" yelled P.k. "Now I
can sort out that Rock
guy now that the potion has
worn off," said P.k.

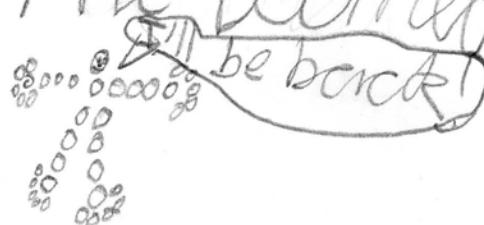

So P.K. flew back home while K.G.
drove back home.

When P.K. got home, he asked K.G.
if he could have some more
potions and K.G. said yes. So P.K.
fought the six rock-hearts but ⁽¹¹⁾

They combined and made one big

rock-head. So P.K. went invisible and ground it into dust with his super strength! "Yipee!" yelled P.K. Just then Rock-man rose up from the ground and ran away. "I'll be back, Psycho Kick!" he boomed from a distance.
